## Presidents' Message

Nancy and Bob Mitchell  
Co-Presidents

Why is FFGM having two people sharing the office of President? Obviously, it will take two people to match the performance of the retiring Ann Line, admired for her enthusiasm, creativity, humor and resolve. She has dealt with the restrictions on social interaction by instituting virtual meetings so that members can still interact and the Board continue to govern. Guided by the principle of "Keep in Touch," Ann asked members to telephone one another just to do just that. We were even able to do the "5<sup>th</sup> at 5" meetings. But what about travel? We make no promises as to when FFGM can journey or host, but we promise to keep you informed as we learn more. As a poor substitute, perhaps, there are many virtual journeys available on the internet, from the FFI website and hundreds of other sites. Books, articles, and lectures on travel and culture are rewarding and are material for discussions. Send us notice, by our e-mails, of the ones you've found interesting. We wish to thank Sara and Dale Harmelink for their years of service to FFGM, retiring most recently as Membership Coordinator and Treasurer, respectively. They will continue to be active

members. And our nomination for club MVP for the year 2020 is Rosie Haas who was invaluable in keeping us "in touch" with her communications. But most of all, our thanks to our members who participated in our activities, made financial contributions and yes, remained patient. Better days ahead!

**President's Report** – Ann Line

Ann thanked everyone for their support and encouragement during the year and especially during the pandemic. Ann especially thanked the Board for their support as well as the Journey Coordinators for much work already done that is yet to be realized due to all the cancelled journeys. Ann thanked all for the opportunity to serve as FFGM president these past two years which were busy and especially challenging this year, but also fulfilling. She urged all to become involved, her favorite word during her presidency.

Ann reviewed the 2020 Club activities which required cancellation of many planned activities due to the coronavirus. Fifth at 5s were held in various formats both in person, via Zoom and at multiple sites. The picnic was held outside as planned, Book Club was held as planned and six (6) Zoom Trivia nights were held. Game Night was held, the Board made two sets of phone calls to the entire membership, and Sue Pack did an Indian cooking demonstration for members.

Ann started a bi-weekly email to the members to keep connected during the pandemic and has done 17 emails so far.

# Welcome

## **New Members – Clay and Shelly Sabourin**

We would like to introduce ourselves. Clay is originally from Milwaukee spending the first 31 years of his life here. He started his career as a Respiratory Therapist at St. Michaels. He then moved to Baraboo where he met Shelly. Shelly is born and raised in Baraboo. Both stayed at home raising their kids and both returned to college to pursue degrees in nursing. Our kids since all are grown and out of the house for the most part and we wanted to be back in Milwaukee as we felt strong ties to the community to have opportunities to be involved in a more diverse and culturally rich community. As mentioned, we are both Registered Nurses. Clay is a Circulating nurse with Orthopaedic Hospital of WI and Shelly is a Regional Director of Operations for Froedtert Health, Community Physicians. We have 5 children. Jacob is 25 and works for Epic in Verona. Hannah is 24 and a graduate student at Washington University in St. Louis for Occupational Therapy. Ronan is 24 and a welder who just relocated his wife and our new 6 month old granddaughter, Willow to Milwaukee a month ago. Bethany is 21 and graduating from UW Milwaukee this month with her double major in Digital Arts and Culture and Journalism and Media Studies with a minor in Music. Mariah is 21 and attending University of Minnesota Twin Cities in her Junior year studying Communications in Environmental Studies after taking a year volunteering with Americorp.

Clay volunteers for the We Got This Garden in the 53206 zipcode which serves Black youth ages 12-17 to provide mentoring and education. Shelly is a co-chair for Courage MKE which is the State of WI first group home serving homeless LGBTQ youth and also sit on the board of directors for Cycling Without Age which serves providing trishaw bicycle rides free to seniors in a variety of senior living settings.

Clay and Shelly love to travel and experience food scenes along with meeting new people and building new relationships. They love to host dinner parties and provide guests with customized experiences when they dine often times matching food with childhood memories or food that is important culturally to the guests. They spent a month in Copenhagen in 2017 when the last two children went to college and have since travelled around to different countries and cities to experience local life in these areas.

They are excited to be a part of this club and hope to one day meet some of you in person.
